University of Barishal

Department of Computer Science and Engineering

1st Mid Exam - Semester: 6th

Course: Course Title: Simulation and Modeling (CSE-3209) **Session:** 19-20

Time: 60 minutes | **Marks:** 10.00 **Teacher:** Dr. Rahat Hossain Faisal

---

1.

a) When simulation is an appropriate tool to develop a system? Explain.

b) With an appropriate flow chart, explain the simulation process.

c) What do you understand by "Time Advance Mechanism" in simulation? Explain with its principles.

d) Explain different components of a Discrete-event simulation model?
